

# Sofia range Interface datasheet

Sofia top single 1200 penetrating on pole Ø76

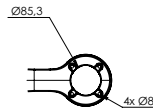

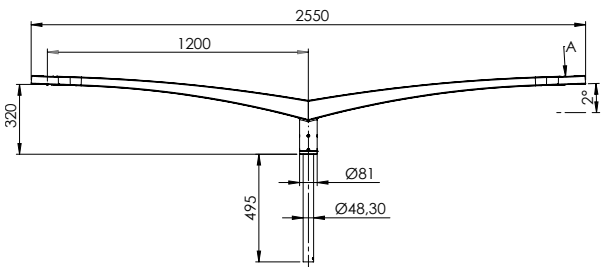

View A - Luminaire interface (viewed from top)

Sofia top single 1200 enclosing on Ø60

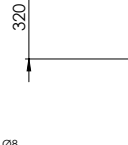

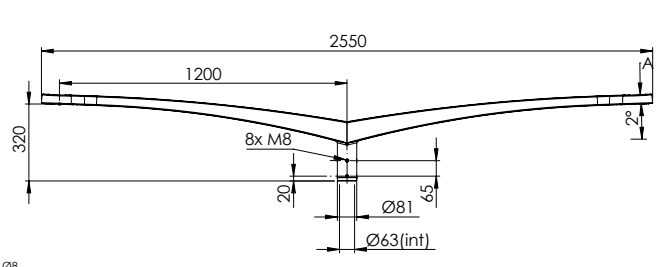

Sofia top double 1200 penetrating on pole Ø76

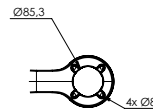

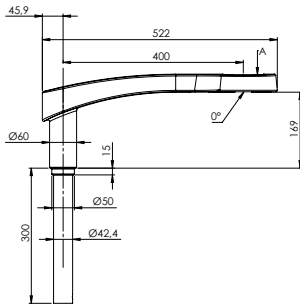

View A - Luminaire interface (viewed from top)

Sofia top double 1200 enclosing on Ø60

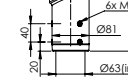

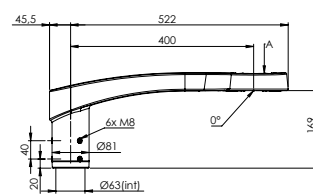

Sofia top simple 400 penetrating on pole Ø60

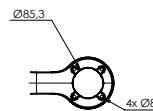

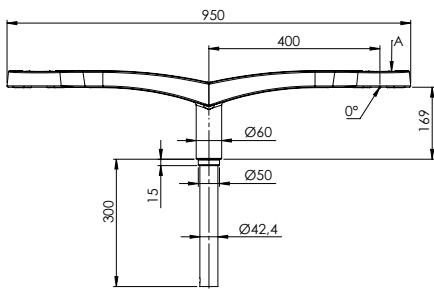

View A - Luminaire interface (viewed from top)

Sofia top simple 400 enclosing on Ø60

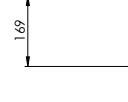

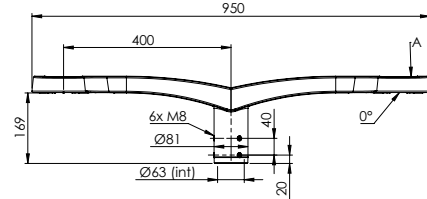

Sofia top double 400 penetrating on pole Ø60

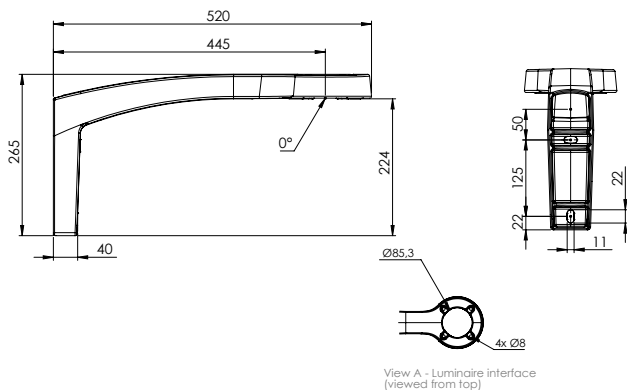

View A - Luminaire interface (viewed from top)

Sofia top double 400 enclosing on Ø60

Sofia lateral & wall 445

View A - Luminaire interface (viewed from top)

Drilling information's for lateral mounting on pole
